

Guidelines for Designing Conference Papers

1. Paper Content:

- The paper presented at the student conference of the National University of Georgia SEU must adhere to the following standard:
- Author(s) name, surname, university, program/specialty.
- Abstract: A concise overview of the article's content in both Georgian and English.
- Introduction: Including the paper's relevance.
- Main Text: Covering research methodology, paper content, and intermediate results.
- Conclusion: Including findings, conclusions, possible recommendations, and future perspectives.
- Bibliography: List of used literature.

2. Presentation Method:

- Papers are accepted in either Georgian or English.

3. Abstract :

- Abstract should be between 100-300 words.
- Must be provided in both Georgian and English.
- Keywords should be provided in both Georgian and English.
- Paper length: Minimum 6 and maximum 11 pages.
- Along with the paper, information about the paper's supervisor must be submitted.

4. Paper and Abstract Formatting:

- The paper must adhere to the university-approved standard.
- Font: Sylfaen.
- Font size: 11.
- Titles of paper sections should be written in bold (BOLD).
- Citations must follow the [academic style](#) approved by the university.
- Line spacing: 1.5.
- Page margins: 2.5 on all sides.
- Images, graphs, charts, etc., should be in TIFF format with a resolution of 300 or 600 dpi.
- For paper formatting details, refer to the provided [template](#).

Papers should be submitted to the following address: conference@seu.edu.ge
